Step 8: Registration Approval Process

A. Approval

The PFCCL Admin will review and upon satisfactory details they will approve the registration. After approval, the generator will get an email over the provided Email id, along with the further steps to provide data in pre defined excel formats.

Once the Gencos provide the data, the technical team will review it, upload it and only after that the Genco shall be able to login further.

OR

B. Rejection

In case of rejection, an email will be sent to the Genco along with the reason provided by the PFCCL admin for rejection. They will need to re-apply for the registration with accurate details.

For any queries / technical assistance you may email us all the relevant details on praapti_pfccl@pfcindia.com, pfccl.app@cruxbytes.com
