SEVERITY INDEX METHODOLOGY

1. A new methodology for ranking states on the PRAAPTI Portal has been worked out which is simple.
 - i. In this methodology, States are being given colour code based on the ratio of “overdues of current month” to the “rolling monthly average billing for the last 12 months”
 - ii. The legend for same is as below:

| Color | | Overdues/ Avg. monthly billing |
|--------|--|--------------------------------|
| GREEN |  | <1 month |
| YELLOW |  | 1 to 3 months |
| BEIGE |  | 3 to 6 months |
| ORANGE |  | 6 to 12 months |
| RED |  | >12 months |
